

# Welcome!

TO KALAMAZOO COMMUNITY  
FOUNDATION (KZCF)!

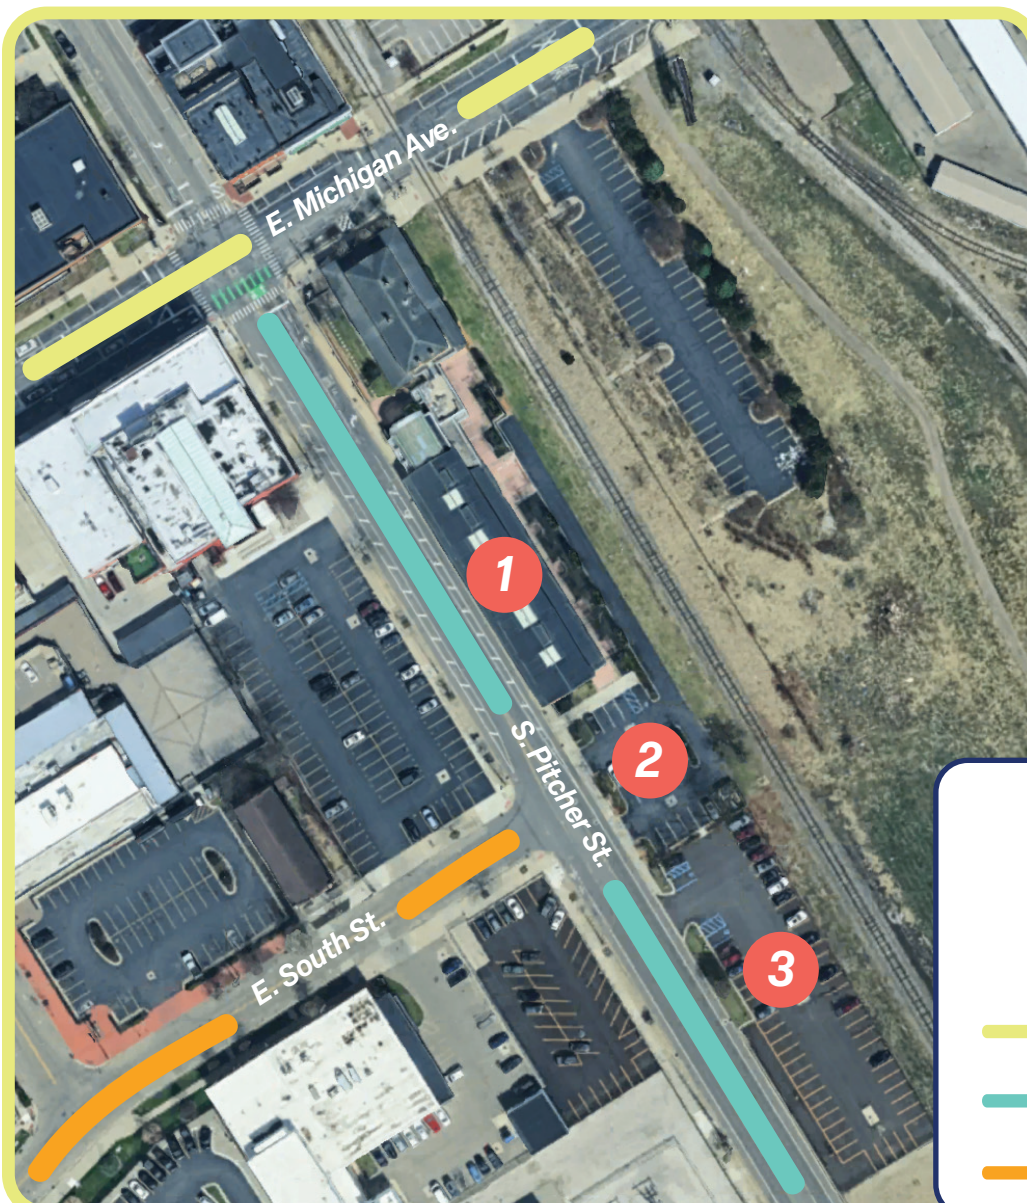

**KALAMAZOO  
COMMUNITY  
FOUNDATION**

On behalf of our team, we look forward to hosting you in our building. Since 2014, KZCF has called this location our home. After receiving this building as a gift from Jon Stryker and undergoing renovations by the Arcus Foundation, KZCF continued to make adjustments to the interior and exterior, settling into the space you see today.

This arrival guide serves as a helpful tool to assist our guests and community partners with accessing our parking lots and entrances.

**If you have any questions, please contact us at 269.381.4416 or [info@kzcf.org](mailto:info@kzcf.org).**

## How to Enter

For the safety of our team, KZCF keeps the entrances to our building locked. However, you can gain entry to our building through the main entrance, which is accessible directly from the guest parking lot. We kindly ask that you press the intercom button located to the right of our main entrance and provide a brief description of your visit. **You may also call 269.381.4416 for assistance.**

KZCF welcomes guests through two primary entrances: our main entrance (near the guest parking lot) and our Winter Garden entrance. To enter our building from the Winter Garden entrance, you will need to walk past the main entrance and follow the brick pathway to the back. When guests are invited to use our Winter Garden entrance, a team member will convey this information in advance and provide on-site direction on the day of your arrival.

**Unless stated by a team member, all guests should expect to use our main entrance.**
